Sandbags available in the Second District

On Thursday, Board of Supervisors Chairman Paul Biane issued the following list of Second District locations where residents can receive free sandbags and sand.

“Forecasters are predicting substantial rainfall Friday night and Saturday, so I urge residents to prepare to protect their homes from flooding now,” said Biane, who serves as the County’s Second District Supervisor.

The maximum number of free sandbags available at the listed locations varies. In addition, those seeking sandbags may be asked to show proof of residency. Second District sandbag information is posted on Supervisor Biane’s Website at www.sbcounty.gov/biane.
